per household.

Registered conference participants will be sent an e-mail to register for the Wine Tasting event at a later date.

Hosted by In Good Taste, a world leading producer of wines by the glass and virtual tastings.

*Enjoy these wines in the comfort of your home and join the **ECC Virtual Conference** with our California tasting flight which will take you on a top-down tour of sun-drenched coasts and golden vineyards. We've found eight gems and bottled them by the glass, highlighting the low-key, bold, and glamorous tastes of our Golden State. (Enough wine for 1-3 glasses.)*
